

Fleet Spurs Football Club

Fleet Spurs Youth FC The Summer Tournament 2020-21

Registration

Upon arrival please register your team at the control desk next to your allocated pitches (your pitch allocations will be shown on the fixtures, please see map below), the desk will be open 30 mins before your scheduled KO.

Player Registration

Attached is a player registration form. This needs to be submitted before the tournament starts (at your control desk). We would also advise that you bring proof of age for all players, league identity cards or a copy of either birth certificate /passport are all acceptable. This is just an advisory note and not a requirement of entry. We've never had an age-related dispute but feel it prudent to advise accordingly.

Rules & Briefing

Tournament Rules are attached, and we hope, self-explanatory. A quick briefing will be held 15 mins prior to the first KO time at your control desk. We are sure many of you are 'seasoned' tournament veterans but it'll help address any queries you may have.

Referees

Three referees will be allocated to each section. Should you have any referee related queries please contact the Control Desk so that we can bring it to the attention of the Referee Coordinator. Over the years we have always found clubs entering our Tournament to be extremely respectful of the referees and we hope this continues. All our referees are U18 and we would therefore ask that they are treated as such.....we all make mistakes! We reserve the right to remove any team from the tournament should they be found guilty of inappropriate behaviour towards the referees.

Parking is £4 (please see map below)

Parking is in the BMW offices found opposite our site. Our site will be closed to all parking except for high sided vehicles and Blue Badge holders, a parking fee of £4 will still apply. Our car park can also be used for dropping off. BMW's parking policy will be emailed later, please circulate to your parents.
